## **Taking Shelter in a Lyrical Storm**

**Spoken Word artist Lyrical Storm's new book of poetry taps into love and lust, all in the name of free expression and good memories.**

A storm is on the horizon, rapping about love, loss, and the good old days.

Poet/Hip-Hop artist Lyrical Storm has published his first collection of poems and musings in ***Finding Love 101: Uncharted Vaults Series Volume One***.

Part inspiration, part education, ***Finding Love 101*** is a mix of original poetry, memories from growing up in Fort Wayne, Indiana, and wisdom gleaned from his elders along the way.

Written over a period from 1995-2003, ***Finding Love 101*** includes photos, a vocabulary glossary and even a question/answer section about Storm.

***Finding Love 101*** is a personal love story reflecting on teenage love and coming of age during the college years, meant for both nostalgic adults and younger people going through those life-altering times.
